

Want to keep up with reading skills over the summer and give back to the global community?

Then you need a Simbi Summer!

Simbi is an unique on-line reading platform that offers readers BOTH customized reading journeys for improving literacy skills AND a “Read for Good” feature to support reading around the world!

Our **Simbiotic** Approach

Mark is a grade 4 student from Canada. He reads along and reads aloud on Simbi to improve his reading fluency and support global literacy.

Avir is a grade 9 student from Uganda. He reads along to Mark's narration on Simbi and improves his literacy, the #1 predictor of academic success.

Summer Reading Tips

- “Scooping” words into meaningful phrases can help improve comprehension!
- Paying attention to punctuation when reading aloud can help improve fluency!
- Stretching out sounds with unfamiliar words can help improve decoding!
